

THE PATRIOT

July 2015

FROM THE GENERAL MANAGER

Dear members,

Congratulations to all the participants of our Member-Guest Tournament, especially our overall winners Jon Bryant and Nick Riddlebarger. This event gets better and better every year!

With the Member-Guest behind us, we're now focused on the upcoming 38th Annual Patrick Henry Invitational. If you haven't already registered, be sure to stop by the pro shop and grab a registration form, or visit Winton's website to download the form.

We hope you're enjoying the new Winton website. This labor of love was a much needed upgrade to Winton's digital presence. In addition to being more functional and aesthetically pleasing, it takes advantage of the latest website technology. That will help us in our endeavor to create awareness about Winton in the local community and beyond. If you haven't viewed the new site, I encourage you to stop by and take a look around.

I hope you enjoy all the festivities scheduled this month.

Best,
Kelly Crovo, PGA

FROM THE POOL MANAGER

Summer is down by a month, and the hot weather means lots of activity at the pool! Our lifeguard staff is doing beautifully, keeping the facility clean and providing a safe, fun atmosphere for families. Please take a moment to thank them for a job well done!

The Winton Patriots swim team kicked off its season at Vista Acres. Thirteen of our nineteen swimmers placed in the Top 20 across the league! What a super beginning. The meet schedule is posted on the Summer Activities section of the Winton website, and we encourage you to support the team by attending and cheering us on!

Swim lessons are already under way, but there is still room available. Please see the Winton website for more information and registration.

Finally, the July Calendar is under construction. Stay tuned for upcoming summer activities including night swims and fundraising to support the Winton Patriots.

Blessings,
Tracy Wilburn

SUMMER SAFETY TIP: AVOID HEAT-RELATED EMERGENCIES

1. Stay hydrated.

Drink plenty of water and avoid caffeine. If you are feeling thirsty, your body is already becoming dehydrated.

2. Seek shade.

An umbrella reduces ambient temperature by almost ten degrees.

3. Get in the water.

Cool water begins to reduce your body temperature almost immediately. If you start to feel overheated, get in the pool.

4. Know the signs of heat stress.

Red flushed skin, profuse sweating or dry skin, headache, dizziness, and nausea are all indicators of a heat-related emergency. Seek attention to get help quick.

JUNIOR ACTIVITIES

Little Patrick's Summer Camp

Ages: 5-11

July 6-10 and July 13-17

This camp has already proven to be a fan-favorite! With activities including golf, swimming, and themed sessions such as cooking, art, music, dance, and science, it's easy to see why.

Did you miss the first sessions?

No problem! There are still two sessions left.
